"Up-to-Date" Advertising.

An Iowa paper thinks it ought to adopt forthwith the following schedule of advertising rates:

For calling a man a progressive citizen when everybody in town knows he is lazier than a government mule, \$2.75.

Referring to a deceased citizen as one who will be missed by the community when we all know he will only be missed in poker circles, \$1.08.

Referring to gallivanting female as an "estimable young lady whom it is a pleasure to meet," when every business man in town would rather see the devil coming, hoofs, horse and all, than to see her coming towards them, \$3.19.

Speaking of a candidate as a pleasant amiable gentleman who is spoken well of by a large circle of friends who have pushed his claim to office rather against the gentleman's will, when we all know he has always wanted an office from the time he was 21 years of age, \$1.07.

Calling an ordinary pulp pounder an "eminent divine," 60 cents.

Traveling quack doctors as an eminent physician and surgeon or illustrious disciple of Esculapius, \$6.

Petty fogger as legal luminary or expounder of Blackstone, \$2.13.

Bride as charming, young, talented and wealthy, when she has yellow hair, green eyes, wart on her nose, hump backed, can't read long prime, without glasses and has a wooden leg, \$1.26. Reduced rates for second insertion.

AT HOPEWELL SCHOOL.

Double Between The Directors and The Teacher.

There is a small war cloud overhanging the Hopewell school, in the northeastern part of the county, and it is all over the teacher's whipping of the pupils with an overgrown switch. Miss Lella Goolsby is the teacher, and it is charged against her that she is too liberal with the "hick." One of the directors, it is alleged, was opposed to the appointment of Miss Goolsby as teacher, but she received the appointment against his tests. This director has a daughter attending the school, and it is noted, the teacher exhibited her like for the director by whipping

unmercifully his little daughter. The matter was taken before a meeting of the next board, and it is not unlikely that a new teacher will be appointed soon. —Capital.

Try Grain-O? Try Grain-O.

Ask your grocer today to show you a package of GRAIN-O the new food drink that takes the place of coffee. The children may drink it without injury as well as the adult. All who try it, like it. GRAIN-O has the rich seal brown of Mocha or Java, but it is made from pure grains, and the most delicate stomach receives it without distress. The prices of coffee, 15c, 25c, per package. Sold by all grocers.

Committed Suicide.

"Mick" Mills, who has been making his home with Cy, Billy Burton, three miles south of Higbee for five or six months past, committed suicide Monday night, at Mr. Burton's home by shooting himself through the head with a revolver. The deceased left a note on the table in his room at Mr. Burton's, stating that he was tired of life and that they would find his dead body at a certain point in Burton's pasture. Investigation disclosed the remains as indicated lying by a path with a ghastly hole in the head. The deceased was a young man about 22 years old. We understand he has an uncle, John McCormack, living near Darksville. —Moberly Democrat.

What do the Children Drink.

Don't give them tea or coffee. Have you tried the new food drink called GRAIN-O? It is delicious and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains; and when properly prepared tastes like the choice grades of coffee but costs about 1/3 as much. All grocers sell it 15c and 25c.

Blanton McBride.

Anderson Blanton and Miss Blum McBride were married at the Christian church in Paris last Thursday evening, January 5, at 6 o'clock. Rev. W. R. Panter officiating. The church decorations were novel and decidedly artistic, consisting only of ropes of evergreens deftly united so as to form a canopy under which the ceremony was said. Miss Juanita Grimes officiated at the organ.
